Be the Light!

Dear Friends,

I will never forget the day in 2015 that we stepped foot on the land at Capstone Primary School, deep in the jungle of the Kibale district of Uganda. I will never forget moving between the mud hut classrooms separated by tarps with just a glimpse into their daily life. We stood under a lean-to as the kids lined up to sing songs for us. That day, which, in the natural was much like many of our days in Uganda was actually very different. It was different because we knew that although we would leave Capstone, Capstone would never leave us. Our hearts were changed.

Join us on our journey through the pages of this booklet as we share the vision God has given us for Capstone and the impact it will have on their community & nation.

**CAPSTONE
FOUNDED**

2013

Pastor Joseph and Tryphosa Sekate founded Capstone in 2013. Pastor Joseph grew up in the Kyarukoka village and was an orphan, losing both parents at a young age. By God's grace and mercy he made it to the city and was taken under the wing of a Pastor that found him and his brother sleeping in the church. They were able to get educated and are both serving the Lord as Pastors today. Pastor Joseph was determined to help the kids of his village by starting a school. Capstone was born.

EDUCATION IN UGANDA

In Uganda there is no free or public education. Every child is required to pay a tuition, buy all their own school supplies, uniform and activity clothing.

For kids like Nabosi Tumushabe who is the youngest of three children, an orphan, living with his peasant farmer grandmother, an opportunity for education means hope for a better life.

CHILD SPONSORSHIP

Last year we began a child sponsorship program that has propelled hope, life, change, and education to a new level for kids like Nabosi. The child sponsorship program is unique because 100% of the money given by sponsors goes to the children at Capstone.

Tuition

Stockings

Shoes

Backpack

All administrative fees are covered through our Smile.Amazon.com and Fred Meyer Community Rewards giving programs. This is just one unique aspect to our sponsorship program.

In 2017 a team of eleven went to Uganda and were able to meet the children they have been sponsoring! This was once again a day that hearts were changed and bonds were made. For us, it was exciting to see the changes made in less than a year. The kids had a warm meal being prepared, more of the kids were in uniforms, the lean-to was enclosed with timber and separated into two new classrooms, the tarps were gone, walls were in place and the children were even more vibrant than before. And, there were MORE of them!! The school has grown 65% and is bursting at the seams!

What we are able to do together for the kids at Capstone is nothing short of a miracle orchestrated through us by God's grace. We are a blessed nation with free education, clean water, food and safety. As we outstretch our hands, resources, and prayers, we can provide the same security for the kids at Capstone. We do this for kids like Nabosi who is labeled by the world as an orphan, but through your generosity he is now proclaimed a Kingdom Kid! In one year your generosity has done the following (see below). Join us on the next page for an even greater vision to bless the people of Uganda.

Approximately 25,190 meals served

215 packs of crayons

2 new classrooms

36 pairs of shoes

6 new games

First quarter of this year to second quarter, financial support nearly doubled for the children.

37% of YTD giving to LMW is for Capstone

LMW is a 100% volunteer run organization.

***LMW: Lighthouse Ministry Worldwide**

20 is just a number...

But, when combined with a vision, it becomes hope to a community that turns a mere primary school into a safe haven for the parentless, a training ground for a child's future, and a place to generate an economy. The vision God has given us for the kids at Capstone is not a small one, and we are thankful you have decided to partner with us on this journey!

We are starting with 20 acres but the future will hold so much more!

- classrooms for up to 600 kids
- clean water
- computer lab
- library
- Kingdom Kid housing (orphan)
- missionary housing
- soccer fields
- farms
- vocational school

The impact we have on the kids will overflow to the community. Capstone20 is the land and development campaign to raise the money to continue this great work.

Psalm 118: 21-25 (msg)

Thank you for responding to me;
you've truly become my salvation!
The stone the masons discarded as
flawed is now the capstone!
This is God's work.
We rub our eyes -
we can hardly believe it!
This is the very day God acted -
let's celebrate and be festive!
Salvation now, God. Salvation now!
Oh yes, God - a free and full life!

Thank you for joining the team!
